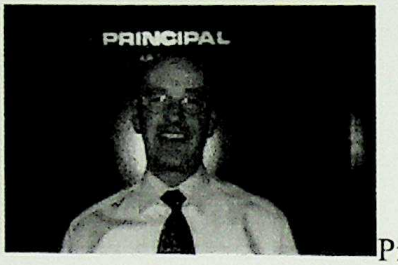
Principal's Message



Principal's Yearbook 2004-05 Yearbook Message

(This yearbook message is based on the thoughts and musings of a student in grade 7, Mary Zhang)

As the 2004 – 05 school year comes to a conclusion, it is with great pride that I reflect on your achievements and your involvement in our school's activities throughout the year. You have demonstrated growth in both your academic pursuits and in your development as young people. At each of our assemblies, I emphasized student achievement and challenged you to always strive to be the best that you could possibly be. It is because of your positive attitude and superb work ethic, that you can be proud of your accomplishments during the 2004 – 05 school year. Staff and students alike, you can take great pride in all of the hard work and effort that you put forth this year.

As you leaf through the pages of this yearbook, the photographs will bring back memories of your friends and the various school activities in which you were involved during the year. Hopefully these memories will bring a smile to your face and remind you of some of the great times during your years at Edith Rogers. You will be reminded of Welcome Week activities, school dances, student assemblies, the Remembrance Day Ceremony, Halloween dress-up, Christmas food bank drive, ER Idol, Bearamedics Fundraising, Japan Day, the grade 9 Farewell, the volleyball and basketball teams, the track and field meet, and numerous other activities which "spiced-up" your daily life at school.

I look forward to seeing all of the grade seven and eight students return for another junior high school year. You will be able to try to make next year even better than this year!

I bid a fond farewell to the grade nine students who are moving on to senior high school. I sincerely hope that, in years to come, you will be able to look back on your three years at Edith Rogers as some of the best times of your life.

Always remember..."Today will be a better day than yesterday and tomorrow will be a better day than today"!

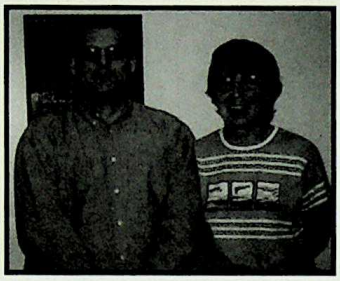
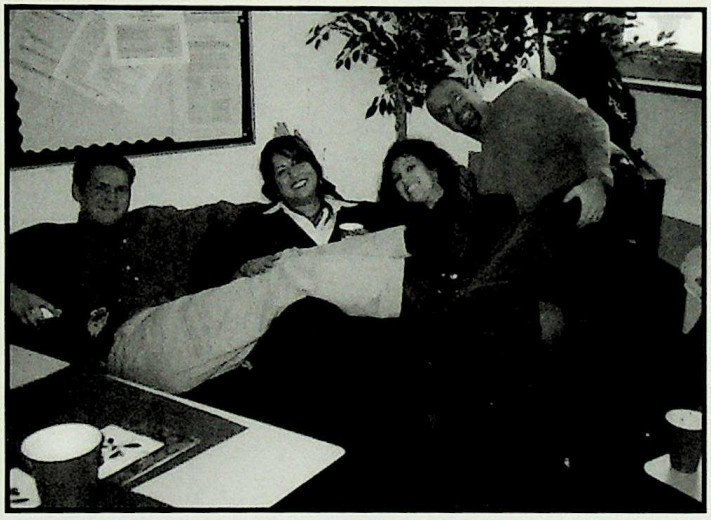
FORE!
Our fearless leader, Mr.Durand, prepares for another gruelling day in the office.

The Lunchroom Crew
Mr.Rodgers and Mrs.MacRae keep everyone in line during the lunch hour.





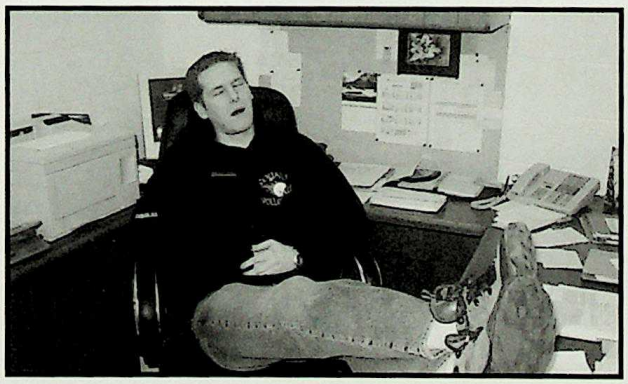
What's goin' on....?
Mr.Douglas and Mr.Willis take advantage of the fact that Ms.Puri and Mrs.Ashton are too full to move.

What are you lookin' at?
Mr.Wells takes a walk on the wild side in his official "Well's Angels" attire.

O Wise Ones

'Casual Friday' reaches a whole new low
Mrs. Fitzpatrick, Ms.Smyth, Ms.Goulden, Ms.Gordon, and Mrs.Kessel take a quick nap in the staffroom.

What are you wearing to the Christmas Luncheon?
The answer? Red, of course. And Mrs.Leslie, Mrs.Oswin, Ms.Goulden, and Ms.Burgener all look lovely.



"Mrs.Gill, please hold all my calls"
When Mr.Durand was away, the office was left in Mr.Douglas' capable hands. Zzzzzzzz...

Grade 7 Welcome BBQ

A couple of days before school officially started, a barbecue was held for all the grade 7 students starting out at ER. It was a chance for them to meet each other, get to know their homeroom teachers as well as hear the first (of many) inspirational speeches by Mr. Durand. It was a beautiful day and a good time was had by all.

Our class can be distinguished by our blaring, striking, unforgettable presence. It is what makes us different from other classes. Although we are divergent, we still blend with each other and have numerous positive qualities. As we work as a team, we have successfully accomplished many things--especially 32 teddy bears! Great job!

The 7D Southsiders are a small, but mighty class. They are self described as humorous and stress free. The staff sees them as hard working and cooperative. They tied for 1st place for chocolate sales and won $75, and then at Christmas came in 1st for the poster contest, winning another $25. The money will be used towards a party with lots of treats. They also raised money for our Bear-a-medics fundraiser and a number of students in the class are in the Recycle Club. Mrs. K and Mrs. F would like to thank the 7D's for an enjoyable and memorable year.

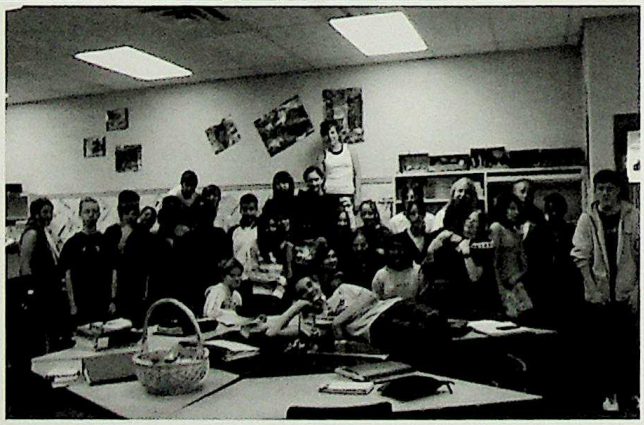
Grade 9's

Ah, the grade 9's. The top of the totem pole. The cream of the crop. Check out their words of wisdom on the next 7 pages...



I would like to take this opportunity to thank the students of 9A for making 2004-2005 an exciting and wonderful school year. Over the ten months, I have enjoyed watching these students develop into mature young adults that are prepared to take the next steps in their journey of life. I wish you all the best in high school and the years to come.

The 9B class had a very successful year. Many were involved in soccer, v-ball, b-ball, T&F, music, drama productions, and art exhibits. Participation was high in all activities throughout the year. Thanks for a great year! I wish you all the best as you enter high school and continue on into the future. Work hard and you can achieve your dreams!

Thank you for being a great homeroom class and going beyond my expectations. You are all amazing individuals and I have the confidence that every one of you will do well in life. I am glad that I am ending my years at ER with a class like this. Thank you for the great memories. "Wheresoever you go, go with all your heart. ~Confucius

FUNDRAISING

Every year Edith Rogers School chooses a charity to support. This year we chose The Bear-a-medics program. Our school raised an incredible amount of money and bought 221 bears in total.
We also did our yearly chocolate almond fundraiser to raise money for our school and a special thanks goes to Mrs.Jorgenson for all her hard work in the chocolate almond fundraiser.

Student Recognition

Each month at E.R. several students are hand picked by the staff to be recognized for various individual achievements. In addition, students who attend regularly and on time, complete homework, behave and put forth consistent effort in all classes receive positive referrals to the office. Each week 5 students from each homeroom will be listed on the Gold List. Then 2 names are drawn each week from all the gold list students and those names drawn win gift certificates for the school store.

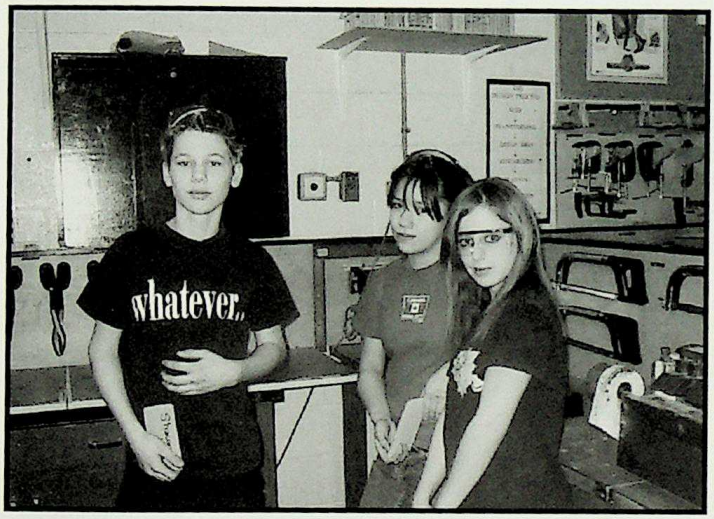
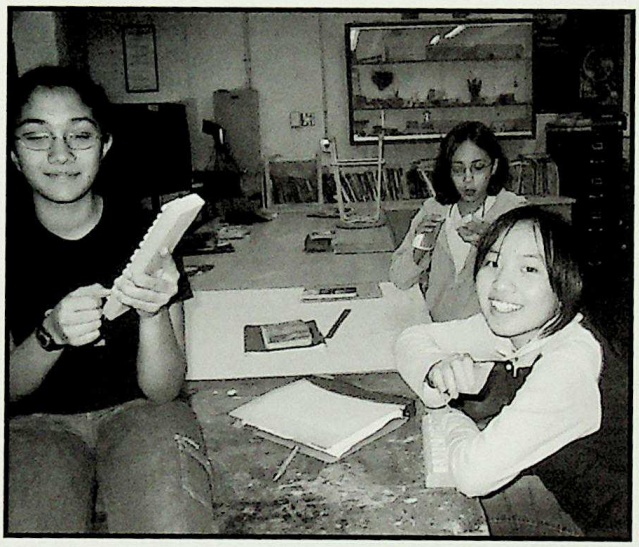
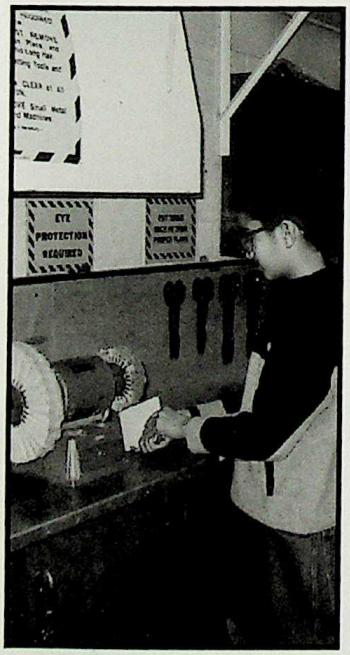
Home Ec. & Construction

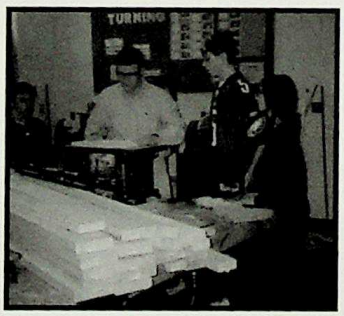
TWO WHOLE PEROIDS!

Options! Options! Options! They are a wonderful part of the day. In home ec., you get the experience to learn how to make things in the kitchen without burning them. On the other hand, in construction, students spend the year crafting wonderful projects out of wood, metal and plastic.









ART/DRAMA

TWO VERY POPULAR OPTIONS, ART AND DRAMA ALLOW STUDENTS TO EXPLORE THEIR ARTISTIC SIDE AS WELL AS THEIR FLAIR FOR DRAMATICS.

Riverwatch Fieldtrip

Science 9

The grade nine students had the wonderful opportunity to analyze the water quality of the North Saskatchewan River and tour the Goldbar Waste Water Treatment Plant in early May. Students took a 10km river trip aboard large inflated rafts equipped as floating laboratories. Along the way, students made shoreline stops to conduct water chemistry and biology tests.

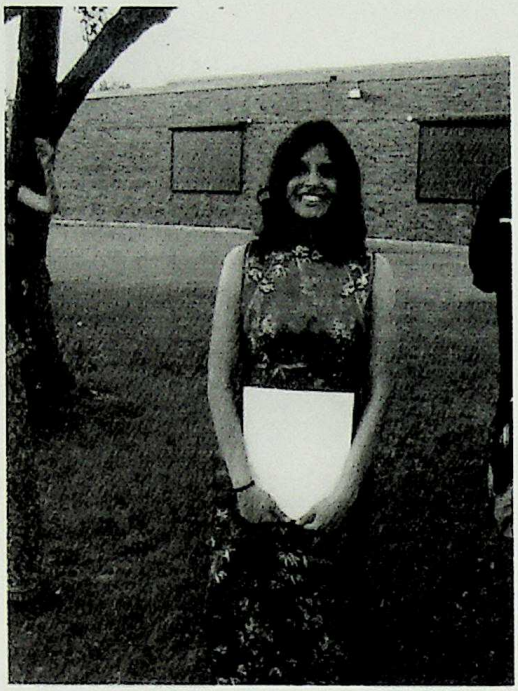
Valedictorian Speech 2004-2005



Mr. Durand, Mr.Mercy, Teachers, Parents and Fellow Graduates:

In early May, Ms.Bilton asked me to see Ms.Oswin immediately. My mind started spilling **crazy** ideas, which was **not** helping at all. It turned out that what Ms.Oswin had to ask me was almost unimaginable. Today I stand before you, representing the grade 9 graduating class, as the valedictorian. Part of that responsibility is to thank those who have brought us to this point in our lives.

To help us do our best was our teachers' main goal. Their job may have been to teach us the curriculum **but** book learning wasn't the **only** thing we received. Because of their encouragement and help, we have grown into confident and positive young adults. It is true that our teachers **did** set high expectations, but in the end, we met them.

If we ever fell, we could **always** count on our parents to catch us and help us to our feet. Each **individual** parent had his or her own way of showing support. Without them, we would not be where we are today.

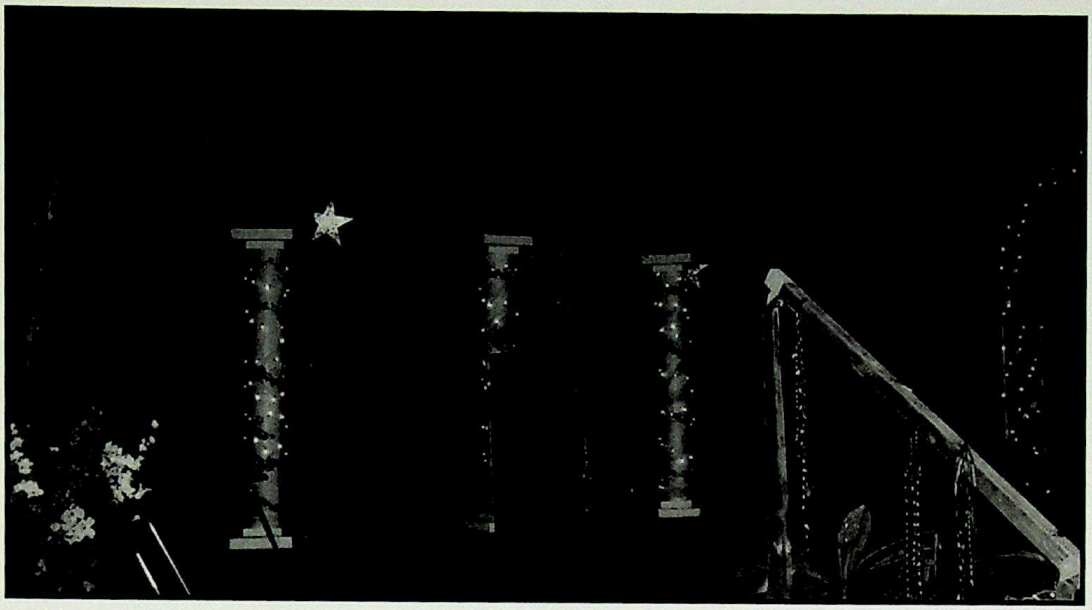
In these past three years, we've **always** had special people whom we would look forward to seeing at school each and every day. They were **always** there to talk to and give advice when we felt lost. These people are our friends. Together we shared the good times and the bad. Keeping our friends in mind, we should live by the philosophy, "Remember the best and forget the rest."

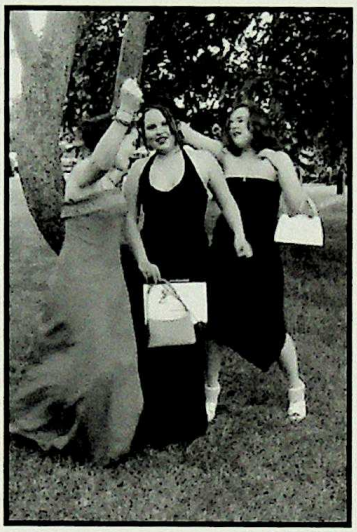
Since we are becoming older and **hopefully** more mature, we **need** to start thinking ahead. It may seem **far away** now, but when you think about it, the time from grade 7 until now, passed by **really** quickly. I still remember when starting grade 7, I was willing and ready to take on the new year at a new school, and yet, in the back of my mind, a nagging voice would say, "What if I'm bullied?" My answer was, "I'll stand up to them." "What if I can't open my locker?" "I'll **find** a way." Questions similar to these never ceased to nag but now it is the last year for us together, at Edith Rogers, and a bigger, more important question confronts you now.

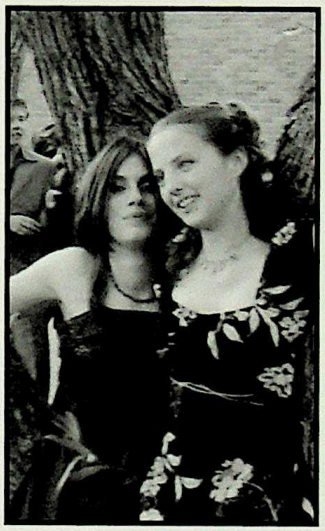
"What do you plan on doing for a career?" This question is asked frequently and many of us answer, "I don't know," but for **how long is it okay to not know?** Any decisions or choices we make now will determine our future.

Now the time has come for us to depart. It isn't "Hey, I'll see you later." This time **it is** for real. No matter how many languages there are or how many ways it's said, it all comes down to this final farewell. I have one wish for everyone here tonight—I hope that all of you will always do your best, for there is no greater reward than success.

Thank-you,
Karen Gahir







Farewell

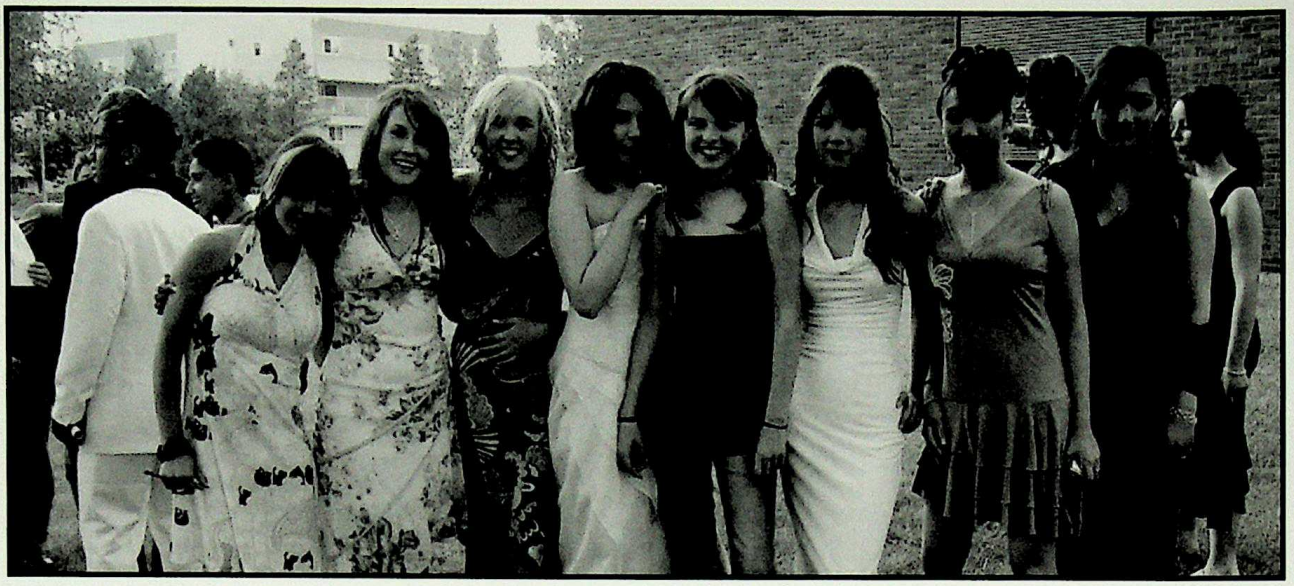
We all leave behind fond memories. The Grade 9 Farewell only left more memories for us to share as we leave our beloved Edith Rogers to move on in life.

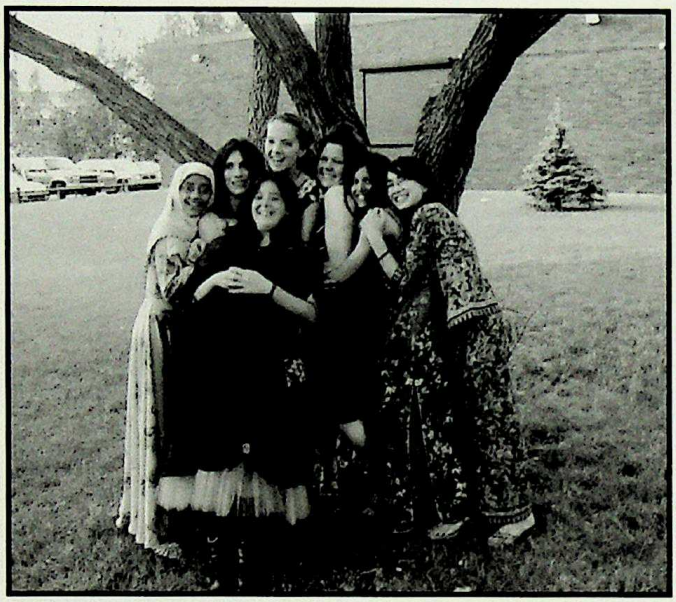
The Grade 9 Farewell was a night filled with magic! Everyone looked spontaneous and so good, who could resist not taking pctures. Just look at all these babes and hunks!

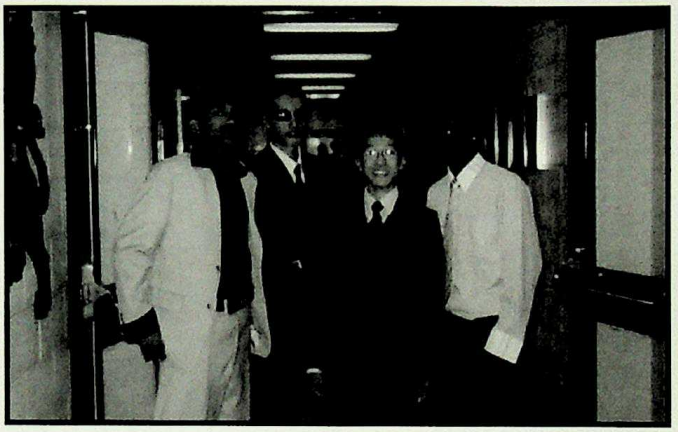
Friends made the evening even more special. At the dance later that evening, a certain someone decided to try out being a DJ! I wonder who it was....Noel Wysocki?

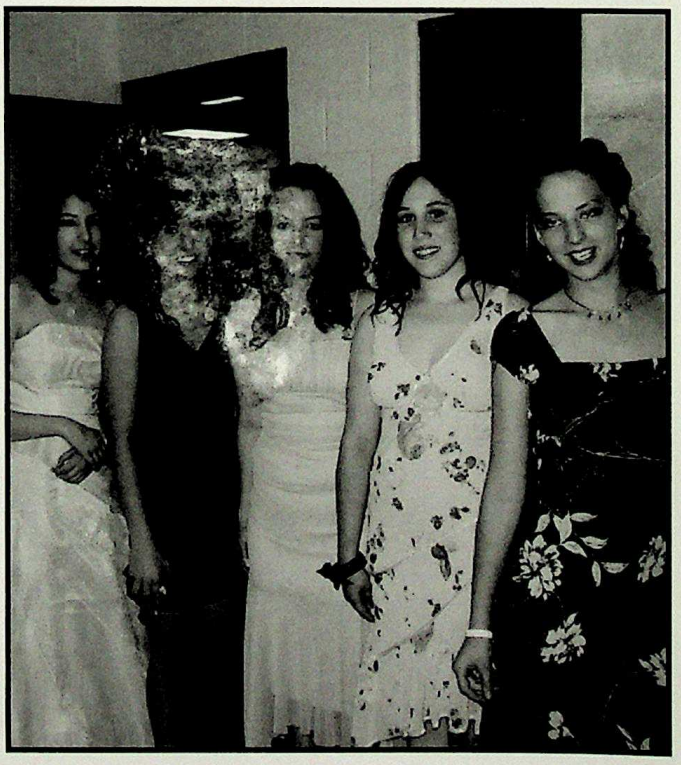
Looking through these pictures, no wonder the gr.7's and 8's wanted to come but too bad! They'll have to wait their turn!

Many years from now, we'll look and either say, "Wow, I sure looked good!" Or "Man, looking at me now, I sure have packed on the pounds!" Alas, good things don't always last forever. This past year came to an abrupt end and goodbyes sure don't come easy.

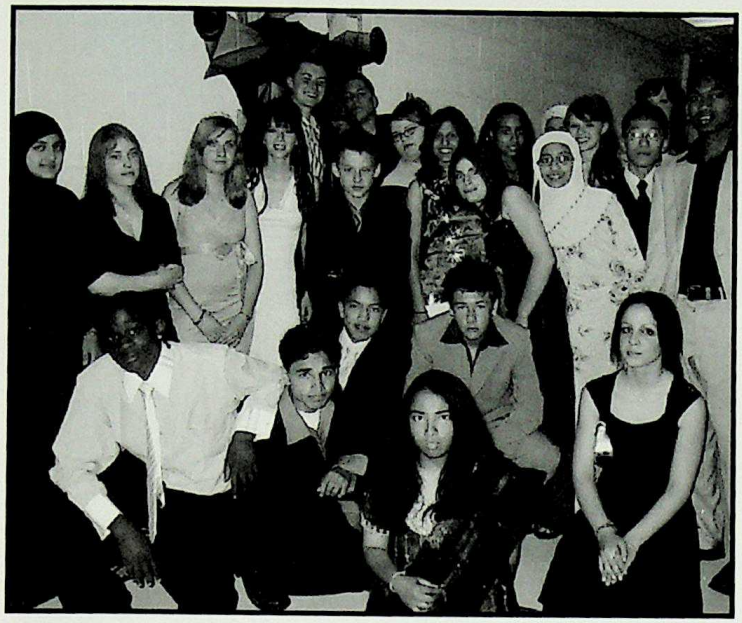








Everyone had a blast! The ceremony was a big success! There was the unforgettable slideshow from the three years of our being here together. Alas, all the grade 9's are heading off to high school next year.



GOOD-BYE

GRADE NINES

"I will remember you. Will you remember me? Don't let your life pass you by. Weep not for the memories." -- Sarah McLachlan. As we say good bye to teachers and friends, remember all the fun and exciting times. Embrace your future and all it has to offer! Good luck grade nines!
